# ABOUT COLLEGE

Gregorian Institute of Technology (GIT) is the best self-financing college in Kottayam District and it is run by MGM Education and Charitable Trust. The establishment of GIT was to provide top class engineering education to the students of our Nation. The College offers education that helps the students to sharpen the inherent professional skills to enable them to compete in the complex world and make them to occupy high positions, nationally and globally. The institute is approved by All India Council for Technical Education, New Delhi, Affiliated to APJ Abdul Kalam Technological University, Thiruvananthapuram.

## VISION

"To be an eminent institution in academic excellence, research and innovation, keeping pace with the latest technological developments, and thereby producing competent technocrats to address global challenges."

## MISSION

- To instil scientific creativeness through student centric learning methodologies and effective teaching learning process;
- To collaborate with other academic and research institutes, industries to strengthen multidisciplinary education and research;
- To nurture incubation centres enabling structured entrepreneurship and start-ups;
- To create a conducive research ambience that drive innovation and supports research-oriented scholars and outstanding professionals;
- To inculcate human values and ethical principles to cater to the societal needs.

## GREGORIAN CENTRE FOR FOREIGN LANGUAGES

Gregorian Centre for Foreign Languages conducts classes in English and German languages regularly for the students. The Centre lays a strong platform for the students to build their skills in English and German. The Centre offers courses in German language which are based on the four levels: A1, A2, B1, and B2, as defined in the Common European Framework of Reference for Languages. The language skills you acquire in our courses offered by the Centre can be measured quantitatively and are in international standards.

# ADMISSION OPEN FOR 2024-25

## B.TECH COURSES OFFERED

- B.TECH - COMPUTER SCIENCE ENGINEERING
- B.TECH - ARTIFICIAL INTELLIGENCE & DATA SCIENCE
- B.TECH - ARTIFICIAL INTELLIGENCE & MACHINE LEARNING
- B.TECH - ELECTRONICS & COMMUNICATION ENGINEERING

## VIDHYANIDHI SCHOLARSHIP PROGRAMME FOR +2 STUDENTS

In view of supporting young students who are currently doing +2 and want to pursue engineering next (2024), GIT introduces a scholarship in the name Vidhyanidhi Scholarship

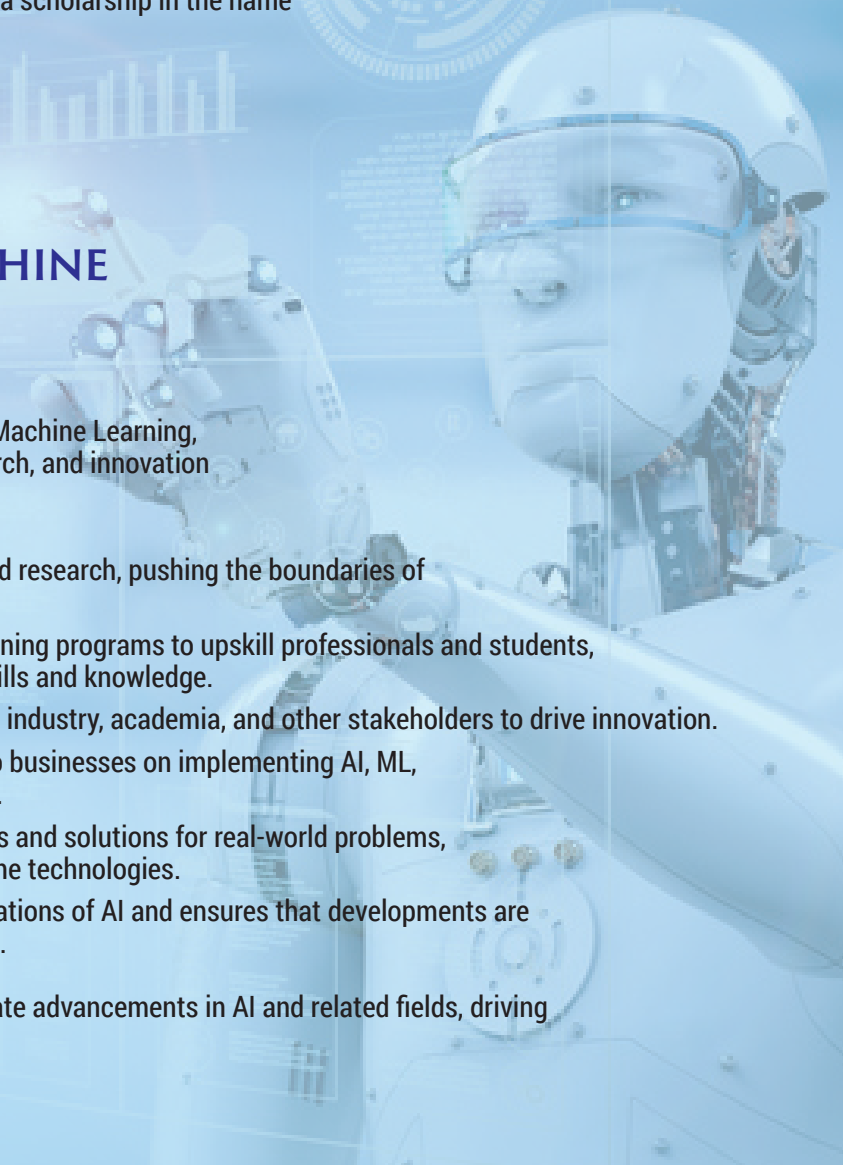

Eligibility: The student must be studying +2 in the current academic year (2023-2024) in any of the recognized school of Kerala

## AI & DATA SCIENCE, MACHINE LEARNING, ROBOTICS CENTRE OF EXCELLENCE

A Center of Excellence (CoE) in AI, Data Science, Machine Learning, and Robotics serves as a hub for expertise, research, and innovation in these fields. It provides:

- **Research & Development:** Conducts advanced research, pushing the boundaries of current knowledge and technology.
- **Training & Workshops:** Offers specialized training programs to upskill professionals and students, ensuring they are equipped with the latest skills and knowledge.
- **Collaboration:** Fosters collaboration between industry, academia, and other stakeholders to drive innovation.
- **Consultation:** Provides expert consultation to businesses on implementing AI, ML, and robotics solutions tailored to their needs.
- **Prototyping & Solutions:** Develops prototypes and solutions for real-world problems, demonstrating the practical applications of the technologies.
- **Policy & Ethics:** Addresses the ethical implications of AI and ensures that developments are aligned with regulatory and ethical standards.

Establishing such a CoE can significantly accelerate advancements in AI and related fields, driving economic growth and societal benefits.

## HIGHLIGHTS OF GIT

- Student centric outcome based learning model.
- Periodical conferences, symposia for the students to acquire knowledge in latest trends.
- Experiential and participative learning through activities/projects.
- IEDC to encourage and support students to become entrepreneurs.
- Excellent Central Library facilities.
- 24x7 internet access for students.
- Wi-fi enabled campus.
- ICT enabled classrooms.
- Strong student mentoring system.
- GIT Consultancy Services.
- State-of-the-art laboratories.
- A conducive and serene atmosphere for learning FDPs, orientation programmes for faculty empowerment.
- MoU with leading Skill Centres and Industries of India IPC to provide industrial training and collaboration Co-curricular and extracurricular activities for the students.
- Start-up opportunities for students through GIT-TBI Centre.
- Students' participation in national and international technical competitions.
- Importance for physical and mental fitness through sports, games, yoga and meditation.
